

Freshcare Participation Fees

Effective 1 July 2026

Freshcare Program	Fee Description	Fee (Excluding GST)
Food Safety and Quality – On Farm (FSQ)	Freshcare Participation Fee (FSQ)	\$563.00
Supply Chain Standard (SCS)	Freshcare Participation Fee (SCS)	\$744.00
Environmental (ENV)	Freshcare Participation Fee (ENV)	\$308.00
Sustainability Viticulture (AWISSP-VIT)	Freshcare Participation Fee (VIT)	\$541.00
Sustainability Winery (AWISSP-WIN)	Freshcare Participation Fee (WIN)	\$744.00

Freshcare Participation Fees: These fees are collected by your Certification Body on behalf of Freshcare and are based on your chosen Freshcare Program and audit cycle.

The applicable Freshcare Participation Fee will be identified as a separate line item on your invoice for audit, payable to your contracted Certification Body.

Service fees for audits: To achieve Freshcare Certification, audits are undertaken by independent Certification Bodies. The costs for audits, inspections or assessments and services provided by the Certification Body are negotiated directly between the business and the Certification Body.

The costs will depend on the individual pricing policies, duration of the audit activity, travel costs, time needed for the preparation, and follow-up.

Audit Quotes and Bookings: Audit bookings must be made directly with an approved Certification Body.

Approved Certification Bodies that can conduct audits for the Freshcare Programs are listed on the [Freshcare website](#). Businesses are encouraged to seek quotes from these providers to meet their audit needs.

This online form can assist you in getting a quote for audit: [Audit Quote Request Form](#)

Freshcare Limited is a purpose-driven industry benefit organisation with participation fees captured to contribute to the day-to-day operational costs and further developments of the Freshcare programs.
