Freshcare

Australian Wine Industry Standards of Sustainable Practice

Certification Bodies

- ACO Certification Limited
- AUS-QUAL
- BSI Group ANZ Pty Ltd
- Merieux NutriSciences Certification
- SciQual International Pty Ltd
- SGS Australia Pty Ltd

The Australian Wine Industry Standard of Sustainable Practice (AWISSP) is an internationally recognised environmental management standard to which Sustainable Winegrowing Australia members can be certified. The Standards are owned, operated and managed by Freshcare – a specialist provider of standards to the Australian agriculture sector. Once certified to the Freshcare AWISSP standard, members can apply to use the trustmark providing consumers with proof of their sustainability credentials.

International Recognition

- Benchmarked Sustainable Wine Roundtable
  - Sustainability Standards Benchmarking Pilot Report 2024
- 2024 Intertek + Systembolaget Benchmark study
